Dear Administrator:

The Maryland General Assembly recently passed Senate Bill 108, which the Governor has signed into law. This new law authorizes the Secretary of Health to eliminate license renewal requirements and licensing fees. Thus, beginning on **July 1, 2018**, the effective date of this new law, you are no longer required to submit a license renewal application or submit a licensing fee. Rather, you are being issued the enclosed non-expiring license.

Although there are no longer any license renewal requirements, you are still required to comply with all statutory and regulatory requirements, and are subject to discipline, including license revocation, for any violations of these requirements.

Some insurance companies require proof of license renewal. Because the Department is no longer issuing renewal licenses, you may forward this letter to your insurance company as proof of your compliance with the Department's licensure requirements. If your insurance company has questions, they may contact this office at 410.402.8040.

Sincerely,

Renee Webster
